WYPALL® “The Crew Chief’s Choice”

WYPALL® X80 TOWELS

WYPALL® X80 Towels have been upgraded through supercharged technology that makes them the towels of choice for the toughest jobs – and the towels of choice for your product line. X80 Towels outpace shop towels and rags in every way – and here’s how:

With supercharged technology, WYPALL X80 Towels are softer and more absorbent than ever. Count on these towels for consistent size, shape and cleanliness. They are guaranteed to be more cost effective than rental shop towels or rags. WYPALL X80 Towels are available in a wide range of dispensing options. And pound for pound, X80 Towels absorb more water and oil than rental shop towels.

WYPALL Towels can be used for heavy-duty machine and part wiping, to wipe up metal shavings and to prep surfaces with solvents. These towels are ideal for cleaning rough surfaces.

UNIVERSAL PADS AND ROLLS

GP™

GP Family

GP™ is an all-round great sorbent that can be used on basically all fluids. It's a premium product with an economical price. And now it's even better with advanced **Maxx™** technology that adds greater absorption qualities without adding weight. 15" x 19". Gray.

Part No	Description
107706SPC	GP, Heavy Weight, Full Size, 100/Box
107707SPC	GP, Economy Weight, Double Coverage, 200/Box

MRO PLUS Family

MRO Plus

MRO Plus is SPC's number one universal sorbent and comes in several weights and sizes. Its 3-ply construction absorbs all industrial liquids, is more durable and reduces lint. Can be used basically anywhere there's a drip, leak or spill including machine, maintenance and liquid storage areas. Gray.

Part No	Description
107720SPC	MRO Plus, 15" x 19", Heavy Weight Pad, 100/Box
107730SPC	MRO Plus, 15" x 19", Medium Weight Pad, 100/Box
107727SPC	MRO Plus, 15" x 150', Heavy Weight Roll, Perfed every 18"
107731SPC	MRO Plus, 30" x 150', Heavy Weight Roll, Perfed every 15" & Up Center
107733SPC	MRO Plus, 15" x 150' Medium Weight Roll, Perfed every 18"
107735SPC	MRO Plus, 30" x 150', Medium Weight Roll, Perfed every 15" & Up Center

107849SPC

UXT™ Xtra Tough Sorbents

Made "Xtra Tough" for the toughest jobs around. UXT™ Sorbents can handle any liquid be it water, petroleum or chemical based. Since it uses spunbond coverstock on both sides of the pad it's durable and low lint – even non-abrasive so pads can be used for wipe down applications. 15" x 19". Gray.

Part No	Description
107849SPC	UXT, Heavy Weight, Full Size Perfed, 100/Box

BattleMat™

SPC's BattleMat™ features heavy-duty construction and a camouflage pattern that fight against leaks and spills in the work area. Can be used as mats under and around equipment or as a single perfed pad to soak up oil and other liquids. 30" x 150'. Gray Camo.

Part No	Description

OIL-ONLY PADS & ROLLS

ENV™ Pads & Rolls

ENV™ Pads are oil-only, contract-grade sorbents that now include **Maxx™** technology to make them more absorbent than ever before – without added weight or added cost! These pads repel water and float even when they're saturated with oil. White.

Part No	Description
107698SPC	ENV, 15" x 19", Heavy Weight Economy, 100/Box
107699SPC	ENV, 30" x 150", Medium Weight Economy, Value Roll
107700SPC	ENV, 15" x 19", Light Weight Economy, Double Coverage, 200/Box
107701SPC	ENV, 15" x 19", Medium Weight Economy, 100/Box

107821SPC

SPC™ Pads

SPC™ Pads are the original and still the favorite of many professionals for containing oil spills. Made with **Maxx™** technology they're more absorbent than ever before yet still lightweight. Each pad is bonded for strength, dimpled and perfed so you can use one or more sheets at a time. Since they repel water, they're often recommended for outdoor use. Applications include: spill clean-ups, off-shore spills and outdoor industrial applications where lint is not a concern. 15" x 19". White.

Part No	Description
107821SPC	SPC, Heavy Weight, Dimpled & Perfed, 100/Box
107828SPC	SPC, Light Weight, Dimpled & Perfed, 100/Box

107828SPC

Oil Plus Family

Oil Plus™ Pads & Rolls

Made to absorb non-water-soluble liquids, **Oil Plus™ Pads & Rolls** are perfed so you can easily pull off the amount of sheets they need for the job. Multi-ply and heavy weight, they work well for indoor and outdoor petroleum clean-up in industrial and environmental applications. White.

Part No	Description
107749SPC	Oil Plus, 15" x 19", Heavy Weight, Full Size Perfed Pad, 100/Box
107761SPC	Oil Plus, 30" x 30", Heavy Weight, Perfed Pad, 50/Box
107758SPC	Oil Plus, 30" x 150", Heavy Weight, Perfed Roll

SORBENT SOCS

Routinely used for all kinds of spill containment, because they're flexible and dependable, **Sorbent Socs** come in several different types for different jobs and a variety of liquids. The **Slikwik® Soc** is filled with all natural corncob and can soak up all liquids except aggressive fluids, **SPC's Re-Form Multiwik™** is a universal economy **Soc** that can be wrung out as well as incinerated. Not to be used on aggressive fluids. **Allwik® Socs** are made from polypropylene and are suitable for use in most industries, and just like the **Multiwik**, can be wrung out and incinerated. The **Oil Only Soc** is made from a special oil-only polypropylene that will not absorb water – just oil as the name implies.

Part No	Description
107836SPC	Slikwik Soc, 3" x 42", Corncob Filled, 40/Case, Gray
107737SPC	Re-Form Multiwik Soc, 3" x 4', Universal Economy, 40/Case, Gray
107674SPC	Allwik Soc, 3" x 4', All-Purpose Polypropylene, 12/Case, Gray
